Welcome address

Dear colleagues and friends,

On behalf of the German Psoriasis Group as well as the Psoriasis International Network represented by Professor Dubertret, it is our great pleasure to cordially invite you to participate in the 3rd International Congress on Psoriasis.

In contrast to other main international Psoriasis events, this congress series is directly aimed to serve the needs of dermatologists in private practice, or dermatologists caring for psoriasis patients in hospitals. Therefore, we have invited keynote speakers from all fields of psoriasis research and care, to give you an update on the latest developments, in diagnosis or treatment of psoriasis, management of comorbidities, and also management of many complex side effects that may arise during a long-term treatment of a systemic inflammatory disease such as psoriasis.

Furthermore, fields such as psoriasis in childhood, psoriasis in pregnancy, or climate therapy will be addressed in workshops which will allow you to directly interact with internationally experienced speakers.

Make sure that you don’t miss this unique opportunity to update your knowledge on psoriasis, and don’t miss Paris at this wonderful time of the year!

Sincerely,

Prof. Dr. med. W. Sterry
Coordinator of the Psoriasis scientific programme

Prof. Dr. med. Louis Dubertret
Coordinator of the Psoriasis International network

There will be no further printed announcement before the meeting. For updates, information, registration, abstracts submission, questions, please visit the Congress website: www.pso2010.com

9:00 - 12:00

The Patients Organisation's meeting
Coordination: IFPA & EUPSO
Welcome to Paris!

Venue & Dates
The 3rd International Congress of Psoriasis will be held from Thursday 1 to Sunday 4 July 2010 in the Palais des Congrès, in Paris.

Paris can easily be reached by plane, train or car, as it is located crossroad of Europe. It is served by two international airports and a very convenient railway system. The shuttle buses from Charles de Gaulle or Orly airports arrive downtown.

The Palais des Congrès is easily accessible: by car (Parking Porte Maillot under the Convention Centre), by local city bus (lines 82 - 73 - 43 - 244 PC) or by metro (line 1) or RER (Paris Suburban Express Metropolitan Network, line C). The station is called “Porte Maillot.”

Official Language
Organized by an International Scientific Society, all presentations will be given in English.

Congress Office
Before and after the meeting:

The Congress documentation will be available there for pre-registered delegates and for anyone wishing to register on site.

■ Badges
A name badge will be provided with your registration documents on site (and not mailed out prior to the congress).

■ Climate and clothing
The weather in Paris in July is usually hot and sunny with daily temperatures ranging from 20°C to 25°C. Night temperatures are usually mild.

■ CME credits
Continuing Medical Education credits will be offered by Medical Academies and Scientific Societies from all over the world. Participants may register for CME credits in their own countries. Certificate of attendance will be delivered on site. More information will be posted on the Congress website.

■ Currency exchange
ALL RATES given in the programme are in EUROS:

■ Electricity
Electricity used in France is 220 Volts; its frequency is 50 Hz and the plugs have two male contact points. Plan to bring a transformer for your electrical or electronic equipment using different voltage.

■ Exhibition & Sponsorship
A scientific and technical Showcase will be open on Thursday afternoon, Friday and Saturday to pharmaceutical companies, manufacturers of materials and equipment and scientific publishers. It will be held in the Congress Venue.
As a pharmaceutical company or manufacturer, you may want to sponsor a session within the core programme or organize a satellite meeting. For exhibit or sponsorship, you can contact any time the Congress Office: pso2010EXH@mci-group.com

■ Insurance and Liability disclaimer
The Fondation René Touraine pour la Dermatologie and MCI cannot be held liable for any hindrance or disruption of Congress proceedings arising from political, social, health or economic events or any other unforeseen incidents beyond their control. The congress cancellation conditions shall apply in any case. Registration of a participant entails acceptance of the cancellation conditions.
It is recommended that participants obtain adequate cover for travel, health, accident and cancellation insurance before they depart from their countries. The Fondation René Touraine pour la Dermatologie and MCI as organizers will accept no liability for personal injuries sustained by or for loss or damage to property belonging to congress participants and accompanying persons either during or as a result of the Congress or during all tours and events.

■ Lunches & Break
Lunches are NOT included in the registration fees but sandwiches and snacks can be purchased at all times.

■ Telephones
For international calls to France, dial the international code followed by 33 and the correspondent’s number without the “0”.

■ Visa & Passports
Every person entering France should be in possession of a valid passport and/or identification card. Some countries require a Visa. Please contact the nearest French Embassy or Consulate to your home for further information.
